

### **Mladen Jadric**

Ass.Prof.Dr.tech. Dipl.-Ing. Architect ZT  
State authorized and certified chartered engineer with office in Vienna  
Member of Chamber of Architects of Vienna since 1999  
Karls gasse 9, 1040 Vienna

Mladen Jadric is teaching and practicing architecture in Vienna, Austria. He is the founder and principal of JADRIC ARCHITEKTUR ZT GmbH. He has realized a wide range of projects of different scales: architectural and urban design projects, including housing, residences, art installations and experiments with new materials and technologies in Austria, USA, Finland and China. He has been teaching at the TU Wien, Faculty of Architecture and Planning and has gained extensive experience as a visiting professor and guest lecturer in Europe, USA, Asia, Australia, and South America. His works were exhibited at the Royal Academy of Arts in London, UK; M.I.T., Cooper Union, and Roger Williams University, USA; Alvar Aalto University, Helsinki, Finland; the Architectural Biennale in Venice, Italy; the World Architectural Triennale in Tokyo, Japan; Museum of the 20th Century, Berlin, Germany; Seoul Biennale of Architecture and Urban Planning, Korea; NIT-Nagoya Institute of Technology in Japan, and many more.

He has been awarded with the State Prize for Experimental Architecture, Karl Scheffel Prize and Schorsch Prize for housing by the City of Vienna as well as with the Grand Prize by the Mayor of Busan Metropolitan City, Republic of Korea.

Mladen Jadric is chairman of the architectural section in "Künstlerhaus", the oldest association of artists and architects in Austria.

He is also deputy chairman of the architectural section with the Chamber of Civil Engineers of Vienna, Lower Austria and Burgenland.
